**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband competition allows for more people to access the internet and information in this increasingly digital age. My small local internet provider has much better customer service and than big telephone companies and fosters a sense of community among its patrons.

Thanks for your consideration.

Sincerely,

Amy Gu
